MESSAGE FROM THE PRESIDENT

Constantly Evolving to Serve

For nearly 80 years, we have been constantly evolving as a financial institution. We seek out those changes that allow us to better serve and return greater value to the membership while we continue to grow!

The credit union has built new or updated branch offices in the communities we serve making them brighter, safer, and more user-friendly. This past June, DuTrac successfully implemented a new, more sophisticated core processing system, allowing us to expand service offerings and improve our service to the membership. We are acquiring better tools to serve the dynamic needs of a changing membership.

In February of this year, we rolled out our DuTrac Mobile Branch with the goal of reaching more members in the communities where you live, work, and play. Now we are excited to introduce the latest step in our evolution.

Many of you may have noticed the colors of the Mobile Branch. We are changing the colors of the DuTrac logo, which is being done to better represent the core values of DuTrac and its service commitment to the membership. The design of our logo has not changed, but we will be migrating toward our new colors. . .blue and gray.

The new combination of blue and gray colors refreshes and enhances the design. Each color having special meaning:

Blue: Symbolizes trust, loyalty, and stability. The introduction of blue reflects DuTrac's commitment to these values. It signifies our dedication to building strong relationships with our members, business partners, and employees.

Gray: Represents balance, intelligence, compromise, and seriousness. Gray complements blue, adding a modern touch to our brand. It underscores our adaptability and resilience in an ever-evolving business landscape.

The refresh of the logo reflects the membership and the business environment of today. By keeping the "design" of the logo, we are committed to DuTrac's unwavering best traditions of superior member service under all conditions. There is no doubt that change is a constant, and we are constantly evolving to meet these changes.

We look forward to serving you even better, where you live, with refreshed branch offices and technology, a refreshed logo, and the same superior service commitment to you.

Andrew Hawkinson
President and CEO

INTRODUCING OUR BRAND AND BRAND-NEW LOOK

The new logo represents our vision for the future.

For nearly 80 years, DuTrac has been constantly evolving as a financial institution. Now, we are excited to introduce the latest step in our evolution.

The DuTrac logo has undergone a refresh by enhancing the colors to reflect today's membership and the dynamic business environment, yet the logo design remains constant in the same way DuTrac is steadfast in its commitment to member service. The new colors represent DuTrac's long-held reputation of credibility, trust, and reliability while continuing to offer intuitive, modern, safe and secure products that help our member's achieve their financial needs.

"We are present for our members. We recognize their dynamic financial service needs and understand those needs will continue to evolve. DuTrac is committed to providing innovative, modern products and services ahead of that change. Our new, refresh of the logo reflects the membership and our commitment, yet maintains all of the core values DuTrac is known to bring forth in its service to its members," stated CEO Andrew Hawkinson in describing the symbolism behind the logo refresh.

As DuTrac rolls out our new logo, members will see it first on places such as our website, e-banking and smart app as well as in our communications and promotions. Members may also notice the previous logo featured in other areas as we work to get everything updated.

We are excited to reveal a refresh in our logo, and we hope you will like our new look.

Watch for social media posts and emails that touch on each day's theme.

MEMBER ALERT!

Be on the lookout for misguided and misleading mail regarding your DuTrac Mortgage, HELOC or any DuTrac consumer loan. Some documents received by mail state you need to contact us immediately about an urgent matter with your loan such as an expired home warranty, setting up automatic payments, or the warranty on your vehicle having expired.

DuTrac Community Credit Union will not contact you for these or related topics on any type of loan. Misleading mail often has “DuTrac” bolded. The bold lettering is meant to grab your attention to make it appear as though it was sent by DuTrac. Look closely at the document for verbiage similar to “Not affiliated with, sponsored by, loan information not provided by DuTrac Community Credit Union.”

If you receive mail, like the example shown, please stop by, email or call DuTrac at 563-582-1331 so we may validate your concern and determine if the documents received are junk or legitimate. We care about your safety and the security of your funds.

CHECKMATE 2024: SAFEGUARDING YOUR ASSETS IN THE BATTLE AGAINST FRAUD

Being cautious about fraudulent checks is crucial to protecting our finances and ourselves. Below are general tips to help prevent falling victim to check fraud:

- 1. Verify the Source:** Be skeptical of unexpected checks received in the mail. If not expecting a payment, use caution and verify the legitimacy of the check. If receiving a payment by check, ensure knowledge of both the person and/or the company writing the check.
- 2. Verify Names Listed on a Check:** If receiving a check to cash or deposit and are being asked to sign the front as payor and back as payee, this is a known check scam.
- 3. Be Cautious with Overpayments:** Exercise caution if receiving a check from someone for an amount greater than what is owed, especially if asked to send back an excess amount. This is a common tactic in scams.
- 4. Keep Software Updated:** If receiving digital checks or using online banking, ensure software is up-to-date and has the latest security patches. NEVER give out DuTrac e-banking or app access credentials or allow anyone access to any online financial accounts.
- 5. Report Suspicious Activity:** If a check appears to be fraudulent or suspicious, let the trusted, expert staff at DuTrac know immediately. We can help provide guidance on the next steps.

Members may receive fraudulent checks in various situations. Scammers employ different tactics to carry out their schemes. Please note below common scenarios whereby members may receive fraudulent checks:

- 1. Online Purchase/Sale Scams:** Scammers respond to online ads or listings, agreeing to purchase an item. They then send a check for an amount higher than the agreed-upon price, asking the seller to cash the check and send back the excess amount. The check is fake.
- 2. Mystery Shopping Scams:** Members receive a check and a letter indicating that they have been selected as a mystery shopper. They are instructed to deposit the check, use part of the funds to make a purchase, and report on their experience. The check is fraudulent.
- 3. Lottery or Prize Scams:** Members may be notified that they have won a lottery or prize and a check is sent to cover taxes/fees. To claim the prize, victims are asked to deposit the check and send a portion of the funds back. The check bounces and the victim is left with a loss.
- 4. Romance Scams:** Scammers develop online relationships and send fraudulent checks to gain the trust of their victims. They then fabricate reasons for needing the victim to cash the check and send them money.
- 5. Fake Job/Work from Home Offers:** Job seekers receive fake job opportunities where they are sent a check as an advance payment or to cover expenses. The scammer then requests the recipient to send part of the funds elsewhere. The check is fake and the victim loses money.
- 6. Emergency or Grandparent Scams:** Scammers contact members, claiming a family member is in trouble and needs immediate financial assistance. They send a check, asking the victim to deposit it and send money to help the “family” member. It's important for DuTrac members to be vigilant, verify the legitimacy of checks, and be cautious when dealing with unfamiliar individuals or situations. If something seems suspicious or too good to be true, investigate it further and consult with a trusted DuTrac Community Credit Union consultant.

DuTrac is your trusted financial partner and strives to protect you against fraud. DuTrac never requests personal information via email or text message, including usernames and passwords. Use caution when opening or responding to emails, text messages, and phone calls regarding your account. If unsure or suspicious regarding any communication about your DuTrac account, contact DuTrac directly at 563-582-1331 or visit any branch. Find the tools to identify fraud and steps to take if you become a victim at DuTrac.org or email fraud@dutrac.org.
