**WHY ARE YOU INTERESTED IN SERVING AS A MEMBER OF DUTRAC'S BOARD OF DIRECTORS?**

My first bank account was with DuTrac Credit Union in the 1980's, and have been a loyal credit union member ever since. DuTrac has been my primary financial institution ever since. Over the years I have used most of the products and services they offer. In 2018, I was discussing with my current boss his role on his credit union's board and that's when I thought I would like to do the same for DuTrac. That was the beginning and I have been serving on the board ever since. I have a passion for DuTrac, its members and the staff. DuTrac, in my opinion, is the best overall financial institution. I am proud to be a DuTrac member and to serve on the board.

**WHY ARE YOU INTERESTED IN SERVING AS A MEMBER OF DUTRAC'S BOARD OF DIRECTORS?**

I didn't know about credit unions until I moved from Chicago to Dubuque in 1999. Since then I have learned to value the relationship between members and the credit union. Being a DuTrac board member since 2013, I have learned a lot from past and current board members, as well as DuTrac staff. Attending several conferences over the years, I have also gained a lot of knowledge of what other credit unions around the country are doing for their members. We have been able to incorporate some of that at DuTrac to continue the growth for our members. Not only has this helped me be a better board member, but it has helped me in my day job as well.
